

REMARKS

The proposed amendments correct errors in the specification and drawings. No new material has been added. Entry of these amendments is respectively requested.

As an appendix to this amendment, one sheet labeled "Annotated Sheet Showing Changes" is provided to show the changes to Fig. 2. Also attached are two sheets of formal drawings labeled "Replacement Sheet," which include the proposed changes.

Please charge any fees or credit overpayment to Deposit Account No. 50-1399.

Respectfully submitted,
